ACKNOWLEDGEMENT

The completion of this work is undoubtedly ensured by the support of lot of people and it would be impossible without people who supported and believed in me.

I am very happy to show my immense gratitude and grateful acknowledgement to my beloved guide, MRS. Dr. M. NANDHINI, Professor, Department of Computer Science, School of Engineering and Technology, Pondicherry University, Pondicherry, for her excellent guidance, constant encouragement and centering efforts, which helped me to complete my project work.

I am also grateful to Pondicherry University for providing me with the necessary resources and infrastructure to complete this project. My sincere thanks go to my classmates, for their collaboration and support during this journey.

My gratitude also extends to all the **faculty members** and **non-teaching staffs** of the Department of Computer Science, for all the assistance they rendered so willingly, to help me in completing my project report.

Finally, I am extremely thankful to my parents and friends for giving me the moral support in doing all things.
